

**WHAT IS KEEPING YOU FROM BEING HEALTHY?
WE WANT TO HEAR ABOUT YOUR HEALTH CARE BARRIERS!**

The Coalition for Health Equity Minnesota (CHEMN) is conducting paid interviews with people who have had trouble getting what they need to become healthy and stay healthy. We want to learn about your health needs that have been problems. CHEMN is doing this for two reasons:

- We want to include and listen to people of color and minority populations.
- We want to develop long term partnerships to deal with the issues.

The interviews will occur during January through March of 2024. An interview will last 20 to 30 minutes either in-person, in a phone call, or online using Zoom.

CHEMN will pay you \$25 for your interview. We will respect your privacy and your input can be anonymous. However, if you give us permission to use your picture along with your comments (without disclosing your full name), we will pay \$50 instead of \$25.

To request an interview please contact us in one of these ways:

- Go to <https://chemn.org/InterviewRequest> ...
... this QR code will take you there:
- or Call **612-213-1047** (leave a message if no answer)
- or Send email to **support@chemn.org**
- or **Use the form** on the back of this flyer.

If you call or email, please 1) say that you are **asking for an interview**, 2) tell us if you prefer **in-person, Phone call**, or via **Zoom**, and provide 3) your **name**, 4) **phone number**, and 5) **email address**. This information will not be shared and will be used only to contact you about participating. If you do not have a phone or email, provide what you do have.

Thank you for considering this opportunity. Change can only occur if we all work together.
